2. Further information about the Y10 'Experience of Work' week for Monday 2nd and Friday 6th July in school

For those parents that have their child out on a 'Work Experience' placement, please check on Unifrog that the Parent/Guardian sign off (Stage 3) has been done. If Unifrog is still at Stage 2, this will require you to get in touch with the employer and ask them to complete it (mention that the email from Unifrog may have fallen into Junk). Without Unifrog going through all four Stages, the placement will not be able to take place. The process is automated and via email addresses. *A reminder of the four stages: 1- pupil puts placement on Unifrog; 2- employer puts information on Unifrog about the placement and risk assessments in place; 3- parent sees this information and confirms happy; 4- school see this information and confirms happy.*

For those parents whose child is yet to put their placement on Unifrog, please find out how to do so here:

Year 11

Monday - Wednesday: GCSE exams. Pupils on exam leave.

Please can you ask your child to change their Unifrog login details from their school email account, to that of a personal email account under 'Settings'. This will enable them to have access to their record for when they leave CFS in the summer.
