General Notices

Work Experience – A call for help: We have recently launched our Work Experience Week 2026 with our Year 10 pupils. If you work for a local company that is willing to take a pupil (or two) on for a few days from **30th June to 2nd July (3 days)**, then please email Mr Angell on: rangell@chichesterfreeschool.org.uk .

Woodwind Lesson Opportunities in school: We are delighted to share that woodwind lessons are now available in school. Anyone interested in learning a musical instrument should be contact our Music Teacher, Mrs Davis on hdavis@chichesterfreeschool.org.uk Further details can be found on our website [here](#).

Quiz Night fundraiser: Two of our Year 9 pupils are raising money to facilitate their trip to the World Scout Jamboree in Poland next year by hosting a quiz night here at CFS. Details of this wonderful fundraiser can be found on our website [here](#).

Reaching Families, a parent-carer led charity supporting families of children and young people with special educational needs and disabilities (SEND) across West Sussex. They provide a range of free services for parent carers, including information and advice, training, wellbeing support and peer support groups. Umbrellas parent/carers support group is running in Bognor Regis on **Thursday 30th April** at Arun West Family Hub. Umbrellas groups offer a safe, relaxed and non-judgemental space for parent carers to meet others who understand life with SEND, share experiences, gain emotional support and exchange practical advice. Further details can be found on our website [here](#).

Half term events: There are lots of events happening over the next half term, details of which can be found on our website [here](#).

Year 7

Tuesday - Thursday: All Rise Mock Court event in school.

Year 7 - 8

Wednesday: UKMT Junior Mathematical Challenge in school.

Year 10

Thursday 17:00 – 20:00: Pupil Progress Consultation evening (virtual).

Work Experience Week: **Tuesday 30th June to Thursday 2nd July**. Please continue to support your child by helping them find a 'Work Experience' placement. Many find placements with friends and family; getting in contact with local businesses might also be fruitful. The focus is to 'experience work' during this week- by that, the experience does not have to be something they are keen on going into as a career. Mr Angell has recently sent some communication out about how to process this through Unifrog- placements must go through this system before a child is allowed to attend. A YouTube tutorial from the school to support the completing of this Unifrog process can be found [here](#) . Do please contact Mr Angell should you have any questions about this week.

Year 11

CFS Gold Passport applications are open! All Year 11 pupils have the opportunity to apply for the CFS Gold Passport! This is an important award to showcase the growth, challenges, successes and character developed whilst a pupil at the school. An information letter that pupils have received about the purpose of it and how to apply can be found on our website, [here](#). The application should take no longer than a few minutes to prep for, and then either write up, record, or ask to be interviewed for a few minutes. We urge all pupils to apply; the **deadline is the 8th May**.

We have been asked to share the following with the CFS community:

Advance warning!

Temporary 2-way traffic lights: Selsey Road, Hunston

From Monday 01 June for 5 weeks SGN engineers will be replacing a section of gas main on Selsey Road in Hunston between Downview to the junction of Farmfield Nurseries. These works involve replacing old metal gas pipes with new plastic pipes to ensure we can continue to provide residents/businesses with a safe and efficient gas supply and avoid disruptive unplanned gas leaks in the future.

Due to the location of the gas pipes in the road, for everyone's safety we will need to have temporary two-way traffic lights in place to help maintain traffic flow, we will be manually controlling these lights.

We understand temporary traffic lights in this location will cause delays to local traffic – **we'd advise road users to plan journeys to avoid traffic delays.**

If you need to speak to us about these works, you can contact our Customer Service Team by email customer@SGN.co.uk or alternatively you can call them on 0800 912 1700, they will direct your enquiry to one of the team for response.

Please can we assure you our engineers will be working as quickly and as safely as possible to complete these works.

We're sorry for the inconvenience our work causes and thank you for your patience and understanding.
