#### House Point Totals

				
	<b>Aquila</b>	<b>Noctua</b>	<b>Pegasus</b>	<b>Phoenix</b>
<b>Previous week</b>	<b>814</b>	<b>612</b>	<b>738</b>	<b>685</b>
<b>Year to date</b>	<b>9339</b>	<b>8874</b>	<b>9421</b>	<b>9337</b>

Congratulations to Aquila who last week achieved the most House Points, but well done to all Houses.

#### Updates and Reminders

- **All:** As per the email that was sent out, throughout school next week, the CFS Prefect Team and CCF will be offering pupils the chance to get a poppy, dated enamel pin badge and/or other poppy merchandise in exchange for a donation to this wonderful appeal. Suggested donations are £1 for a poppy, £3 for an enamel pin badge and £2 for poppy wrist bands and ruler. Pupils are also invited to attend the Parade in Chichester on Sunday 13 November. Please email Mr Phillips if you'd like to attend.

- **All:** Huge thanks to everyone that has completed the parent survey. Tomorrow is the deadline so anyone that hasn't been able to complete it yet, please click on the link here.  
<https://www.surveymonkey.co.uk/r/SWZNKX7>
- **Primary:** The lunch menu for Primary pupils has been updated so please make sure you're selecting the up to date meal choice for your child. Also, a reminder that we are a "no nuts" school which includes Nutella in sandwiches. We'd be grateful if you could also avoid using chocolate spread as it can look a lot like Nutella and, as we have a child with a hazelnut allergy, we need to be extra cautious.
- **Primary:** We'd be very grateful if Primary parents could avoid coming onto the school site too early in the morning. These last few days have been particularly busy at drop off so any help is much appreciated.
- **Secondary:** Remember to bring some small change into school tomorrow to support the Day of the Dead cake sale being run by the MFL pupils and teachers.
- **Secondary: Thursday Lunch Live** – Futures Hub is the place to be on the 10<sup>th</sup> November to meet and listen to Darren McCrory – Supercars; Social Media and Marketing Mogul, come and listen to his life story and career choices including pimping cars worth 3.5million pounds. Collect your ticket in advance from Mrs Moon, Futures Office, and then queue hop on the day with your ticket to the front of the food line at 1pm. Meet in the futures Hub with your lunch for 1:10pm.
- **Secondary:** Protect our Planet Day is on Thursday 10<sup>th</sup> November. During Science lessons, pupils in Year 7 – Year 9 (and some Year 10) will have the opportunity to link up live with researchers in Antarctica, listen to interviews with the producers of Frozen Planet, as well as lots of other exciting opportunities. 'Protecting our Oceans' runs through break time, and 'Protecting Through Technology' runs through lunch. Lab 2 will be open to pupils who would like to join in.
- **Year 1:** Morning drop off. It is that time of year where we try to encourage the Year 1 pupils to walk into class on their own each morning. Please can we ask that parents support us with this and drop off their children at the main school gate. We will have our Year 1 adults available and on hand to assist with this transition. End of day pick up will remain as usual where parents can walk round to the classroom and collect.
- **Year 10:** Please be aware that there is an important parent meeting on Thursday 10<sup>th</sup> November, in the Carmelite Hall, from 6pm, on preparing for 'Experience of Work' week. Mr Angell has already sent communication home via email, but it would be helpful to get an idea regarding attendance via here: <https://forms.gle/nmCpWWekaGWbYLGf9>
