Covid Update

From 1 April 2022, the guidance for children experiencing symptoms of Covid, or who test positive, has changed. Outlined below is the revised guidance from the Department for Education. We will be implementing this approach at CFS from tomorrow, Friday 1 April:

- children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend
- children with a positive COVID-19 test result should stay at home for three days.
