The Great CFS Bake Off 2022:

In 2022, Her Majesty the Queen will become the first British Monarch to celebrate a Platinum Jubilee after 70 years of service. This year we are asking you to create a cake fit for a Queen to celebrate this milestone!

You may bake any cake you like, have fun doing this! Thinking of making a Victoria Sponge? Lots of chocolate cake? Raspberry Swiss Roll? Make sure your flavours are balanced and your cake looks amazing.

Are you baking by yourself? Baking with family or friends? Make sure you say who you are baking with so everyone can be credited. We would like as many people to join in as possible.

Once you have finished your bake...get lots of photos, show your cake off and upload this to Google Classroom with a description of your cake. All done? Brilliant, now just like the Queen sit down and enjoy with a cup of team or a glass of squash. Don't forget to share!

At the end of the event, we will collect in all the photos and our professional baker judges will be deciding who has won this year's The Great CFS Bake Off 2022!

The winner will be asked to recreate their cake and have it placed on display at school during our celebrations.

Good Luck!
