General Notices

Sibling photos are happening in school on the morning of Friday 28th February. An email has been sent out with a link to register your family – **closing date is 11th February**.

Bags2School: Our next collection is on Wednesday 26th February so please start saving your unwanted clothes, bed linen, shoes, bags and accessories as this is such an easy way to raise money for the school. Thanks.

There are some lovely local events happening over half term, details are on the posters on our website: [Weekly Bulletin](#)

Cancelled Clubs:

Advanced warning: Please do revisit the club timetable on our website and make note of any dates that your child's club is not running. You are expected to collect your child at the end of the school day on these occasions.

Short Notice Cancellation: Whilst we will endeavour to email parents of Secondary children and to also tell the pupils that a club has been cancelled at short notice for that day (Monday – Thursday), please can you remind them that if they do not get the message and attend their club and the teacher does not attend, then they must report to Supervised Study in the Futures Hub. All Primary pupils in clubs that have been cancelled on the day will be able to stay in school until collection time of 1630.

Trip Contributions: We have organised a few trips for all year groups over the coming weeks. For these trips to go ahead it is dependent on the Parent Contribution that we requested at the end of the last academic year. Presently some trips are at risk of being cancelled in the near future due to lack of funding and to avoid cancellation fees from the travel companies and venues. If you have not already, and you are able, please can you make payment through your child's ParentPay account. If you are having difficulties in making a payment please get in touch with the finance team on finance@chichesterfreeschool.org.uk.

Trips that are at risk are; Reception Goodwood Farm, Year 1 Amberley Museum, Year 2 Space Dance Workshop and Arundel Castle, Year 3 Egyptian workshop, Year 4 Winchester Science Museum, Year 5 Paultons Park, Year 6 Tower of London and Natural History Museum.
