PAYING FOR A CLUB

FAQS- FREQUENTLY ASKED QUESTIONS

Q: I still had funds on your old bookings system where are they?

A: If you had funds remaining on our previous booking system, they have been transferred to your new account. You can now utilize these funds for payments and they will be accessible in the Wallet section.

Q: Why do I have upcoming payments?

A: These are bookings you have created and haven't paid for yet, making it easier to do more than 1 booking at a time.

Q: I have upcoming payments but the club isn't for 1 months time, why do I need to pay now?

A: There is no need to pay this charge until the month the club/ upcoming payment shows.

Q: If I've paid online with a voucher, why do I need to make upcoming payments?

A: It's important for us to have confirmation that you've used a voucher to make your payment through our system. This way, we can acknowledge that your voucher payment was made.

FAQS- FREQUENTLY ASKED QUESTIONS

Q: How do I cancel a booking?

A: If the booking is for our Wrap Around or Holiday Club you can cancel up to a few days before. Go to the homepage, click on the date on the calendar you want to cancel and if we accept cancellations there will be 3 options: cancel, change date, change time. **We cannot accept cancellations less than 3 days before the club as the staff have already been confirmed and any food required will have already been purchased.**

Q: Can I add money to my account to use for later?

A: Yes just go to the wallet tab and choose add voucher or add from card. There is also an option to set up a monthly Direct Debit to cover the monthly amounts.

Q: How do I use money from my wallet?

A: Click pay next to the amount that is due that month and choose 'pay by wallet' you will then see how much credit you have in your wallet and can tell the system how much you want it to take towards the due payment.

Q: Do I have to pay for the whole term for the sports clubs/ why can't we book just for a half term?

A: We are now booking a term at a time, this means you are reassured that the club is in place for the term and it also means you do not have to remember to rebook after half term. It helps us to plan for the term knowing the number of children we have coming, most clubs book termly. We didn't before due to the high up front cost, but our system allows you to pay monthly so you can book for the whole term and split the payment across the term
