

Shaping Support for School Attendance Problems

Has your child experienced difficulties attending school because of anxiety?

We are looking for parents/carers of children aged 5–11 years to help us refine a brief parent support programme for anxiety-related school attendance difficulties.

What's involved?

Participants will be invited to take part in a small online discussion group to share their views on the programme's content and delivery.

When?

Online sessions will take place in June and July. You can choose the session that is most convenient for you. Participants will receive a £20 voucher to reimburse their time.

Who is running this project?

This project is funded and run by King's College London in collaboration with the University of Sussex.
