

10th December 2024

Dear all,

Year 2 Space Dance Workshop – Tuesday 25th February 2025

Next half term we will be blasting off into outer space with our topic 'One Small Step'. For an exciting start to the topic, Year 2 will be taking part in a space-themed dance workshop with teachers from 'Dance & Beyond'. This workshop will take place at school on Tuesday 25th February 2025, during the school day. As this is your child's normal PE day, they will already be in their PE kit and ready to take part in the workshop.

Cost and payment:

The cost of the workshop is **£2.00** but you will not need to contribute if you have paid the annual Primary Trip contribution at the beginning of the school year. You would have also consented when you made this payment. If there is a change to any medical information since consent, please do let your child's class teacher know.

Those parents not having paid this annual contribution– If your child would like to take part in this workshop, we are asking for a voluntary contribution of **£2.00** to cover the cost of the visit. Payment should be made on the school's ParentPay system, where you can also give consent for your child to participate. If you do not have access to ParentPay, or are unsure if you made an annual contribution, please contact the finance office.

If insufficient voluntary contributions are made, then it is unlikely that the experience will go ahead. Please contact the school if you would like your child to participate but you have difficulty with making the contribution.

The finance team can be contacted on finance@chichesterfreeschool.org.uk

Should your child not wish to be part of this experience, they must still attend school and alternative provisions will be made when the workshop is on.

Yours faithfully,

Mrs Bhutta & Mrs Grace
Year 2 Class Teachers
